

# MOVING UP CHECKLIST

As the move to secondary school gets closer, this checklist can help you prepare. Tick off each item as you complete it. You got this! And be sure to look on your school website for specific things you will need.

## VISIT THE SCHOOL WEBSITE

Peek at the school's website to unlock the hidden secrets of your new academic kingdom. Simply Google the school's name to find the website!

## PRACTISE PACKING

Get your packing game on point for the new school adventure! Get in the habit of packing the night before ahead of when you start.

## PLAN YOUR ROUTE

Plot out your path to the new school and take a few test runs. Get cozy with the route from the comfort of your couch with the help of Google Maps and dive into street view. Don't forget to get a bus pass if you need one.

## PREPARE YOUR UNIFORM

Don't forget to schedule some quality time to crack the code on your school outfit and place your order. Get the lowdown on school rules about jewellery, piercings, and mobile phones.

## PRACTISE BUYING & MAKING LUNCH

Practise making shop purchases, or making a packed lunch. Find out how the school canteen and pay machines at your new school work.

## PLANNER/DIARY

Got a planner or diary on hand? If not, snag one and make it your new BFF! It's like having a personal brain organiser that'll kickstart your planner game for the upcoming term.

## TALK TO FRIENDS

Reach out to friends and family to uncover who's joining the same school adventure as you or already there. This can help you conquer those back-to-school jitters!

## GET INTO A GOOD ROUTINE

Form a routine of hitting the sack early and rising in time for a hearty breakfast. Ample rest and a good morning munch will help you thrive.

## BUILD NEW HABITS

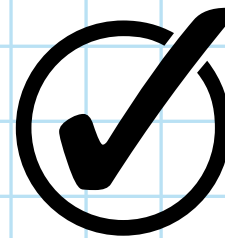

Take charge of your daily missions – from prepping your bag to conquering tasks, and gearing up each morning like a boss!

## SCHOOL MAP

If you have a map of your new school, have a look at it and familiarise yourself with the layout.
